### Description

This new 2025 Hino FE1426 refrigerated truck is suitable for chiller or freezer work and is packed with the world's best products, like the reconditioned Thermo King T1000 Fridge, providing stable temperature control. The compressor unit is equipped with an optimized refrigeration system, a robust Tk compressor, and many other proven components to ensure state-of-the-art quality and reliability with superior cooling capacity.

Also, the thermally efficient body is the renowned 2nd Hand Thermaxx Refrigerated Truck Body, offering the lowest 'K' Value in Australia, which means you get more payload per trip. With the one-piece aluminium floor, recessed stainless steel hardware and long-life EPDM rubber door seals, your goods and your truck will be protected for the long haul.
