- Alloy kick panel
- Options available to suit customer requirements

STE/TRS/Thermaxx mission is one of continuous improvement, we reserve the right to change without notice or obligation to modify the technical specifications and aesthetic characteristics of the Thermaxx product. Please note: STE/TRS/Thermaxx provides the information contained herein in good faith and changes may have been made to the product since this brochure went to print (01.05.2025). *Fitted body weight is an approximate weight based on the standard products supplied. Note: final weight may vary based on the type of cab chassis used, and or extra body equipment added. The 4-year warranty is for the Thermaxx Advantage products only. *^{-20°C} is based on an average ambient temperature. Note this can fluctuate depending on the region traveling and time of year - also the amount of door opening per day.
